

Communications Group
(On behalf of the Management Committee
and Club Members)

March 2020

**DID YOU
KNOW
THAT YOU
CAN GET
£120 OFF
YOUR
FEES?**

If you introduce a new playing member to the Club, you would be entitled to a £120 reduction in your fee the following year, providing that new member renews their membership.

**WE MUST
RECRUIT NEW
MEMBERS AND
YOU CAN HELP**

WHY DO WE NEED TO RECRUIT NEW MEMBERS

- Each year some members leave, for a variety of reasons. This results in a loss of income.
- Reasons for leaving include moving away from the area, not able to play golf through injury or for family reasons.
- We therefore want to attract new members.
- You can help by introducing new members to the Club whilst receiving a reduction in your fees.
- Income also increases, if we all support the Club's social functions.

NEW SOCIAL FUNCTIONS

IS IT THE END OF QUIZ NIGHTS – Throughout the winter, there has been a monthly quiz night. These events will come to an end in March. **BUT BY POPULAR DEMAND-** We are introducing – **THEME NIGHTS –** Once a month, there will be a meal and a table quiz. The first event will be on **Thursday 2nd April** and will be a Curry Night.

Do you have any golf clubs that you no longer use? Craig and James plan to introduce some 'taster' sessions for potential new members. In order to take participants out onto the course, they will need a range of clubs. Please let Craig know if you can help.
